

## SPID REPORT FOR March 2016

### ANNUAL GENERAL MEETING SATURDAY, APRIL 16<sup>TH</sup>, 10:00AM Fanny Bay Community Hall

Be in the know!

This year's annual general meeting will have lots of information about Phase 2 of SPID's new water system. There will be a full financial report including details of how we are paying for the system. We have a new website and we'd like to hear your comments about what should be on the site. Our fire chief will report on last year's activities and plans for this year.

The next board meeting is Wednesday, April 13 where committee reports and financial information reports will be approved. They will be posted to the website, SPID.ca, after the board meeting.

It's an exciting time to be on the SPID board and.....there are two vacancies on the board this year! Please consider supporting your community by running for a board trustee position. Applications are available at the SPID office. Nominations will also be accepted from the floor at the AGM. Each vacancy is for a three year term.

To qualify as a candidate you must be:

- A Canadian Citizen
- 18 years of age or older and an owner of land or spouse of an owner of land in Ships Point Improvement District
- A resident of the province for the previous six months as required in the Elections Act
- Entitled to be registered as a voter under the B.C. Elections Act

See you at the meeting!

*Notice: You may notice blue paint lines on the edges of the road. They simply denote where existing water pipes are buried.*

---

#### BOARD MEETING and OFFICE HOURS

The next Board of Trustees meeting is April 13, 9am at the SPID office at 7729 Vivian Way.  
Tuesday, Wednesday and Friday, 2pm to 430pm, pending business needs.
