Fire Chiefs Report to the Board

05 Jun 2026

Call-outs

- Since last SPID report on 11 May 2026, we have had two (2) first responder (FR) call-outs & two (2) Mutual Aid Fire call-outs

Practices

- Normal Tuesday training & Wednesday knowledge briefs / exams ongoing, with periodic weekend training events scheduled as time / requirements permit

Purchasing

- New training manual to support Pumps & Pumping course
- Dept LS T-Shirts to replace depleted stock
- Printer toner cartridge to replace unserviceable item
- Battery powered blower to assist with yard / training center cleanup
- Zoom subscription renewed
- Forestry Eqpt ordered at request of residents, reimbursement funds have been transferred to SPID

New Items for Info/Discussion

- Total Burn Ban in effect throughout Comox Valley RD
 - Campfires are allowed on certain areas of the island
- One member attended a Rope Rescue course in Campbell River
- Four (4) members attended a Pumps & Pumping Course in Union Bay
- Association is selling WASP home sprinkler systems to increase community safety & as a fund raiser
- Association chipping event held on 13-14 May in a continuing effort to reduce smoke in the community & to reduce the fire loading risk on local properties, event well utilised by residents
